SPRING PRICE LIST

HORTON GREENHOUSE

HORTON, KANSAS

Again at the beginning of a new season we come to you with our new price list on seed and plants. We have searched the markets and spared no efforts to have for you the very best that can be had. No matter how much care is given to the crop if the seed and plants are not of the finest quality the returns are not as profitable as they should be. Planting poor seed is a waste of time and labor. Our years of experience in the handling of Garden seed enables us to give you the very best to be had.
